

MONTHLY MEETING OF CITY COUNCIL

Telephone Rate Question Comes Up For Discussion—Benton Goes In As New Member

The regular monthly meeting of the Richmond City Council will be held in the halls of the council chamber tonight.

The body will have one new member present in the person of Squire Pleas Benton, who was recently elected to fill the vacancy caused by the resignation of Mayor O'Neil. Councilman Benton resigned as a member of the Madison Fiscal Court at the meeting of that body Tuesday.

The most important question to be handled by the body tonight will be the local telephone rate reduction. The phone company has been previously ordered to show cause why they should not restore the pre-war telephone rate and it is thought tonight's meeting will settle this question definitely.

DEMOCRATS GAIN BIG IN LOUISVILLE

(By Associated Press)

Louisville, Oct. 6.—Registration of voters here totaled 125,505. It broke all records and exceeded by more than 12,000 the official registration of 1920. The republican plurality of 8,500 over democrats last year was cut to 2,477. The combined democratic and independent registration exceeds the republican registration, 9,700. Last year the combined registration was 2,500 more than the republican registration.

TOM SLATTERY REMOVED FROM OFFICE

(By Associated Press)

Washington, Oct. 6.—Thomas D. Slattery, federal district attorney for the northern district of Kentucky, was removed from office today by President Harding on the recommendation of Attorney General Daugherty. The reason for his removal was not disclosed by officials.

Consideration is being given, it is understood, to the appointment of Sawyer Smith, of Covington, as successor to Slattery.

NEW REVISION IN TAX LAWS

Washington, Oct. 6.—A radical revision of the tax bill by agreement among republican senators is in prospect today as a result of conferences yesterday between various factions. The apparent intention is to repeal, as of next January, on all transportation taxes, except possibly Pullman transportation, increase the income surtaxes on incomes over \$66,000 from 32 to around 50 per cent and the repeal of the majority of luxury taxes and socialized nuisance taxes, increase corporation tax to 15 per cent and continue corporation capital stock tax.

The program as outlined, understood to have been agreed upon today, also included the repeal of Pullman taxes.

DAUGHERTY AWAITS ACTION OF CONGRESS

KY. WAR MOTHERS IN ANNUAL MEET

The Kentucky Chapter of War Mothers will convene in their annual meeting at Frankfort today. The principal address will be made at the afternoon session by Emmett O'Neal, of Louisville, State Commander of the American Legion.

The convention will be opened with the repeating of the American creed by the War Mothers, after which the invocation will be given by the Rev. Roger T. Noe. The address of welcome will be delivered by Mrs. Bowen Henry, Franklin county War Mother. Mrs. Wm. Dowell Oldham, Lexington, State War Mother, will respond.

The morning session will be devoted to reports of county War Mothers. At noon the Franklin county chapter will entertain the delegates with a luncheon at the Y. M. C. A.

In addition to Mr. O'Neal's address the afternoon session will be devoted to reports of nominating committee, introduction of new officers and report of resolutions committee.

UNIVERSITY MAN DYING AT LEXINGTON

Lexington, Ky., Oct. 6.—The Lexington police department, University of Kentucky, and U. S. Veterans' Bureau authorities are investigating the mysterious injury of Robert H. Whited, 37, of Auburn, Ky., special highway engineer in the government vocational department at the University of Kentucky.

Whited is in a dying condition at the Good Samaritan Hospital of a fracture at the base of the skull.

The injured man was left at the hospital at 11:45 Tuesday night by two white men and two negroes, who did not give their names or any details of how the man was injured, hospital authorities said.

It was not learned by the hospital authorities until Wednesday morning that the injured man was a student at the University, it was said. University authorities were notified immediately and after some investigation by them and officials of the Veterans' Bureau, the police department was notified and Detectives T. F. Donlon and R. P. Mooney started an investigation of the case.

PROMINENT DANVILLE MEN ARRESTED

Merchant and Telegraph Operator Charged With Receiving Stolen Goods

Danville, Ky., Oct. 6.—Two more arrests were made Wednesday in connection with the railroad freight car robbery exposed by Southern Railway Detectives J. A. Coleman and J. B. Wallin on September 28 when they took ten men into custody. The two detectives have been searching the homes in the King's mountain section in order to round up members of the gang responsible for the robbery. Today they arrested a prominent merchant and a telegraph operator, the former on two charges and the latter on one.

Zack Padgett, merchant of Buck Creek, six miles from Kings Mountain, is charged with car robbery and receiving stolen articles. The officers say they recovered 188 towels, one bolt of goods and other articles valued at \$300 from the store of Padgett, who claims he bought the goods from Grant Dishon and Heinie Vaughn who were arrested September 28. Padgett was given an examining trial before Commissioner Lawwill here this afternoon and was held to the federal court under bond of \$5,000 which he failed to give. His trial is set for October 13.

The other arrest was that of Clarence Williams, telegraph operator for the Southern Railway Company at King's Mountain. Williams is charged with receiving stolen goods. He also was held under \$5,000 and his examining trial was set for October 7.

Two other men charged with car robbery and who were arrested several days ago, Grant Dishon and Deewy Houpp, were brought before Commissioner Lawwill Wednesday and held to the federal court under bonds of \$5,000 each.

Other arrests are expected as soon as the officers can secure sufficient evidence. It is claimed that thousands of dollars worth of goods stolen by the gang and disposed of in the King's Mountain section.

W. C. T. U. HEAD TO SPEAK AT DANVILLE

Danville, Ky., Oct. 6.—Miss Anna Adams Gordon, National President of the Woman's Christian Temperance Union, and acting world president of the organization, will be guest of honor at the annual convention of the Kentucky W. C. T. U., which will open a four-day convention here on Friday, according to the program which has just gone to the printers. Miss Gordon will not arrive in Danville until October 10, and will speak that evening.

Miss Gordon has just returned from a two year's trip in Europe and south America where she studied conditions. She has been acting world president since August 12, when Lady Carlisle, the world president, died.

Mrs. Deborah Knox Livingston of Providence, R. I., who spent the last year in Scotland working for prohibition, will be in Danville throughout the convention. Miss Cora Francis Stoddard, of Boston, national director of Scientific Temperance Investigation, and who was named by President Harding to represent the United States at the International Congress against alcoholism recently held at Lausanne, Switzerland, also will attend.

S. S. Convention Hears Mrs. Robinson

(By Associated Press)

Newport, Ky., Oct. 6.—The child's response in speech and song lessons taught in Sunday School, was discussed at the morning session here today of the Children's Division Section of the Kentucky Sunday School Association in annual convention here. Mrs. A. T. Robinson, of Louisville, as the speaker.

Mrs. Robinson urged exactness in the pronunciation of words and care in the talks made to the circle of children in the classes. She urged that children be encouraged to tell the story back to the teacher and said that this was best done with the help of the picture or object used in the original telling.

EDENTON

Most of the farmers in this section have finished housing tobacco.

Mrs. Alice Owens, of Kansas City, is spending a few days with Mrs. Mary E. Hughes and Miss Bessie Hughes.

Miss Verna Ray, of Buckeye, spent the week-end with her grandmother, Mrs. Laura Wylie. Messrs. Robert and Herbert Teater spent Saturday in Lancaster.

Mrs. Maud Masters has returned home after a two weeks visit with her sister, Mrs. Minnie Reynolds, in Garrard.

The workmen are progressing nicely with this end of the road.

Rev. Fern preached at Salem church Saturday, Sunday and Sunday night.

M. and Mrs. Herbert Teater spent Sunday with the former's sister, Mrs. Lois Collins.

Substitute Grapes for Tobacco

(By Associated Press)

Benton Harbor, Mich., Oct. 6.—Prohibition has been the cause of the greatest increase in the market price of grapes in the Southwestern Michigan "grape belt," according to H. J. Banoun, representative of a large fruit exchange with headquarters here.

Grapes sold or \$25 a ton in this vicinity a few years ago before the advent of prohibition, it was pointed out. Last year the price went to \$140 a ton. Although slightly lower this season, due to business conditions the price is rising steadily in view of a crop that is about one-fifth of normal, it is said. The demand for grapes with which to make home made wines is responsible for the increase, according to grape dealers here.

Pie Supper At Valley View

There will be a pie supper at the Valley View school house Friday evening. The proceeds will be used for the benefit of the Christian church there. All are cordially invited.

Mr. Ray Stanifer, the popular young son of Mr. and Mrs. J. S. Stanifer, has entered the Medical College at Louisville.

Reos Beaten by Cincinnati Reds

Due most to the superb pitching of their lanky ace, Eppa Rixey, the Cincinnati Reds succeeded in beating the fast Lexington Reos in a well played game yesterday by a score of 5 to 1. Jim Park also pitched an excellent game, and with the exception of the three home runs made by Wingo and Daubert, not a run was earned off him. Reports from those who saw the game stated that the local lads, Combs, Hisle and Park looked like big leaguers in their positions and made the Reds fight every step of the way in order to stop the game. A number of Richmond fans were among those present.

ADD WASHINGTON TO VISIT

Daugherty said in regard to the Congressional inquiry made of the Ku Klux Klan, that his department would take cognizance of the situation if facts warranted it. But it would be necessary for the department to examine them and find what federal laws are being violated.

HUNDREDS TRAPPED IN TRAIN CRASH

(By Associated Press)

Paris, France Oct. 6.—Twenty-three bodies were removed from St. Lazares tunnel today, where a railroad wreck occurred last night. Only seven have been identified.

Paris, France, Oct. 6.—A rear-end collision of two suburban trains in the half mile tunnel leading to the St. Lazares railroad station last night led to terrifying scenes and the death of many persons on their homeward journey from Paris.

The wrecked cars burst into flames and the disaster was made all the more terrible by the explosion of a gas reservoir.

At a late hour last night 18 bodies had been recovered. 20 persons are known to have been injured seriously and 80 others injured slightly. This, however, gives no idea of the extent of the disaster, because the firemen and others engaged in the work of rescue have been unable to get any distance within the tunnel, owing to gas fumes.

The fire spread with great rapidity and for a time cries of distress and moans of the dying were heard on all sides, but these finally were silenced, though the racking of the blazing wooden coaches still could be heard.

The firemen, under Colonel Hiert, were not prepared for the barrage of poisonous fumes that sailed them when they reached the scene. Finally they succeeded in playing four streams on the hot coaches at the St. Lazares end of the tunnel, but these were empty and not burning, while 17 inches in the center of the tunnel, far away from the firemen's efforts, were burning fiercely.

At no time could they get closer than 500 feet from the inferno. Nevertheless every now and then a gas engin with blackened face would come straggling out, begging the helpless firemen, police and soldiers.

EUGENE DEBS WILL HAVE TO WAIVE

(By Associated Press)

Washington, Oct. 6.—The question of a parole or pardon for Eugene V. Debs, is held aside for a while by the Department of Justice, Attorney General Daugherty announced today. He said that such recommendation as he had prepared would be changed in phraseology before going to the president. Further questions failed to elicit any additional information.

Live Stock Sells Low

Sales of livestock reported from October court day show that male colts, cattle and sheep were about as low as had been seen on the local market for the past several years. Mule colts were being bought at from \$15 to \$50, while good cattle were selling from 5 1-2 cens down.

SYNOD WILL BE HELD IN PARIS

The Synod of Kentucky will meet in the First Presbyterian church in Paris October 11.

The pastor, the Rev. T. S. Smylie, and the congregation are making plans to have this the best meeting of the Synod of Kentucky since the last time it met in this church in 1870. The Commercial Club is operating. The Ministers' Association of the city will voice its welcome and the city itself through proper authorities, will recognize the presence in its midst of the Presbyterian ministers of the state.

The delegates are expected to arrive Tuesday. Supper will be served in parlors of the church. The meeting will be opened at 7:30 p. m. The Rev. S. B. Lander or the retiring moderator, T. B. Talbott, will preach the opening sermon.

Among the features of the program are the educational rally on Wednesday night under the direction of Dr. R. T. Gillespie, of the Maxwell Street Presbyterian church, Lexington, and the home mission program under the leadership of T. B. Talbott. A new feature of the Synod will be the program Thursday afternoon in the interest of the laymen's work in the Synod. A program for this is being arranged by Henry B. Turner, a layman, from Campbellsville.

Dr. E. M. Green, of Danville, oldest living moderator of the Synod, will be present. It is expected. Dr. Green is 82 years old and has been for 44 years pastor of the Danville church. He was moderator of the Synod of 1883. Dr. Green is still in the active ministry.

Odd Fellows To Hold Big Meeting

October 14th, Home Lodge No. 25, I. O. O. F. will take to Louisville the Orphans' Home Band, composed of fourteen boys and six girls, wards of the Orphans' Home, located at Lexington. A concert will be given at the Armory open to the public. This band has been trained by Professor Ellis O. Kidd, one of the best musicians of Central Kentucky. Their concert tours over Kentucky have drawn immense crowds, overtaxing the capacity of the largest auditoriums.

At five o'clock in the afternoon of the same day, Home Lodge Degree Staff, one of the most famous in the United States, will give the first degree in the Armory building. Members of the order from Kentucky and southern Indiana have been invited and it is expected that 7,000 members will witness the conferring of this degree.

County Superintendent B. F. Edwards left Tuesday for Barbourville to attend a district school convention which opens in that city.

Negroes in and around Chicago are arming themselves in fear of raids of the Ku Klux Klan, according to statement of Assistant District Attorney Clinin.

Compelling eight members of a house party near Lake Worth, Texas, to tie each other together then torturing them, was the means used by a negro in securing \$1,200. He made his escape.

Problems concerning the Episcopal church in Kentucky and the growth of the University of the South, Sewanee, Tenn., will be discussed at the annual fall convocation of the Lexington diocese which opens in that city Tuesday.

Gus Whitehouse and D. W. Slaughter have entered the race for Police Judge in Versailles.

The grand jury at Shelbyville failed to return an indictment against Ike Miller for whisky running, on account of insufficient evidence.

Mason county reports 3,600,816 pounds or 60 per cent of the tobacco, pledged to the pool.

The Hon. Thos. C. Johnson, a leading citizen of Beattyville, died at that place Tuesday.

YANKEES WIN SECOND GAME

Hoyt Twirls Team To Victory— Ruth and Meusel Run Wild on Bases—Score 3 to 0

Polo Grounds, New York, Oct. 6.—The youngster, Waite Hoyt, came over from home in Brooklyn today and besmeared the Giants with goose eggs while the Yankees walked off the field with the second game of the world's series by a score of 3 to 0.

The base running of the Yankees was again a feature. Bob Meusel stealing home in the eighth inning, before the astonished gaze of John McGraw, manager of the Giants, while Babe Ruth, who had been walked in three of his four appearances at the plate, showed he could do something besides hit home runs by stealing second and third bases in the fifth inning.

Nehf pitched a good game, but his own error in the fourth inning, and an error by Frisch in the eighth inning, was the hole in the Giant's defense through which the American League champions pushed over their winning runs.

The crowd was slow in gathering.

Chicago Oct. 6.—Dick Kerr was a better pitcher than Grover Alexander today and the Chicago Americans shut out the Chicago Nationals 2 to 0 in the first game of the series to decide the city championship. It was the first meeting of the two clubs since 1915.

New York, Oct. 6.—With one victory already gained by the methods their rivals were expected to use, the New York Americans will go back into the fray with the National League champions today fully confident to again turn the tide their way. The nationals, however, are not discouraged and are prepared to enter the game with more determination than ever. They pointed out that they came from behind in the league race and that the same fighting spirit will carry them through.

The weather is clear.

Babe Ruth is the happiest man in New York today. He believes that the Giant hurlers intend to pitch to him during the series.

"If they do," said Ruth, "I'll pop one over the heads of the folks in the right field stands."

Editor, publisher, managing editor, business manager and sole owner, S. M. Saufley. Known bondholders, mortgagees, and other security holders owning or holding 1 per cent of more of total amount of bonds, mortgages, or other securities are: none.

Average number of copies of each issue of this publication sold or distributed through the mails or otherwise to paid subscribers during the six months preceding the date shown above: 2350.

Sworn to and subscribed before me, this 1st day of October, 1921, at Richmond, Ky.
CLEO DIXON, Notary Public, My Com. expires July 29, 1922.

Prohibition Cause Crime Increase

That prohibition is one of the chief causes of crime in the United States today and is back of the jam of pending cases in federal courts, is the unanimous verdict of United States Judges and District Attorneys, according to announcements made by the Department of Justice. The opinion was obtained by a questionnaire sent to all judges and prosecutors by a committee named by Attorney General Harry M. Daugherty to find the cause of the congestion.

OKLAHOMA'S HERO FULL BLOODED INDIAN

(By Associated Press)

Idabel, Okla., Oct. 6 — On a small farm in McCurtain county, 35 miles over rough roads from Idabel, Joseph Oklahomabi, a Choctaw Indian, is hunting and fishing, raising corn and helping his neighbors at harvest time.

A half dozen persons in Idabel could be found who remembered exactly what part of Oklahomabi played in the world war, yet it was he who captured 171 German prisoners single handed, and was decorated and cited by Marshal Petain of France, as the second greatest American hero that war produced. Alvin York was ranked first.

Oklahomabi, however, when questioned by Mrs. C. C. Conlan, of the Oklahoma Historical Society, who also is a Choctaw, saw nothing peculiar in his lack of recognition, she said. He did only his duty, he added, and is now back home with his wife and baby—carrying on as his forefathers carried on. Oklahomabi is a full blood.

His name taken from the Choctaw, means in their language "man killer," according to an interpreter. It is not directly connected with the name Oklahoma, presented to the state, which is a combination of two Choctaw words.

Oklahomabi was enrolled in Co. D, 141st Infantry, 26th Division as a private, 26 years old. When he enlisted he could not speak English; but that he could speak the language of warfare in fighting for his country is evidenced by the wording of the citation from General Petain, after which he received the Croix de Guerre.

The citation reads: "Under a violent barrage he dashed to the attack of the enemy position covering two hundred yards through barbed wire entanglements. He stormed a strongly held position containing a number of trench mortars, turned the captured guns on the enemy and held and position for four days, in spite of a constant barrage of large projectiles and gas shells. He crossed No Man's Land many times to get information concerning his wounded comrades."

Asked what he thought of the army, with a smile he replied "too much salute—not enough shoot."

J. T. Beckner, of Winchester, is one of the entrants in the Western Chess Association annual tournament which opened today at Cleveland.

The Lexington Leader says: "The Lambda Alpha Chapter of Chi Omega fraternity was congratulated upon the pledging of ten attractive freshmen girls of the University." Among the number were Misses Margaret Chenault and Mary Louise Covington, of Richmond, and Miss Nan Chenault, daughter of Hon. John B. Chenault, of Maysville.
Mrs. H. J. Graham and little son, Phil, of Detroit, Michigan, and Mrs. R. L. David, of Winchester, are guests in the home of their brother, Mr. J. R. Quisenberry and Mrs. Quisenberry on Second street.

KENTUCKY GIRL WRITES LETTER

How She Was Restored to Health by Lydia E. Pinkham's Vegetable Compound

Sunnyside, Ky.—"I suffered for more than two years with my back and nervousness, and was not able to help my mother do the housework. I took treatment from two doctors and they did not do me any good. Mother saw Lydia E. Pinkham's Vegetable Compound advertised in the paper and I took about ten bottles. It has done me a great deal of good. I weigh 138 pounds and am in good health. I will gladly recommend Vegetable Compound to anyone who suffers with the troubles which I had, and you are welcome to publish my testimonial."—VELMER HENDRICK, Route 1, Sunnyside, Ky.

To many American girls life is often a heavy drag in consequence of illness, and every mother should heed the first manifestations, such as cramps, backaches, headaches and nervousness as Mrs. Hendrick did for her daughter, and give Lydia E. Pinkham's Vegetable Compound a fair trial. For over forty years this old-fashioned root and herb medicine has been relieving women of just such troubles.

Write Lydia E. Pinkham Medicine Co., Lynn, Mass., about your health.

CHEERFUL HOUSE FROCKS

House dresses are as important certainly as any others, and they have cheerful charms of their own—more lasting ones than their costlier rivals. They are usually bought ready-made, come in pleasing colors, are cut on graceful lines and are inexpensive. More than all, they return from their tubings fresh and crisp. Here is one made of gingham and trimmed with chambray and braid. It is one of many pretty and practical models.

NOW THE TUXEDO

When the sweater-coat began to grow luxurious and aristocratic it assumed a new name—it is now the Tuxedo. It is made in wool, fiber silk or silk, with much attention given to its design and finish. Here it is shown in silk, with self-stripe, bordered by a strip in contrasting stitch, finished by narrow fringe and belted with plaited girdle.

INGENIOUS AND MODISH

Among the new suits for fall and winter there are none in which the season's style features have been used to better advantage than in the model illustrated. Its coat is of medium length, with embroidered panel at the front and the much-admired bell sleeve. It is trimmed with a band and collar of fur.

\$100. A Day For A Good Wheat Drill

One hundred silver dollars a day would be low rent to pay for a good grain drill if the one you now use does imperfect work. Seed must be planted right before a bumper crop can be expected.

Seed that is planted too shallow has no better chance to produce a maximum yield than seed planted too deep. Nor can you expect top profits when your drill cracks a part of the seed, makes uneven delivery, or fails to cover the seeds properly. Good drilling and good crops go hand in hand.

This year make sure that the seed go in right by using a good drill, one that has proven itself worthy of your confidence. Users of Hoosier grain drills will tell you that their even stands, better yields, and more profit are largely due to the use of good drills.

Farewell Reception In Berea

The home of President and Mrs. Hutchins was the scene of a beautiful reception on Wednesday evening, given in honor of Mr. and Mrs. Rix, who are moving to Lancaster soon where Mr. Rix has accepted a call to become pastor of the Baptist church. A good number of the friends of Mr. Rix, mainly from the vocational school, were present. Charades and games were played, refreshments were then served, after which President Hutchins spoke of the purpose of the gathering. Mr. Rix responded with a short speech, in which he expressed a kindly feeling toward his many friends in Berea, his confidence in the work that Berea is doing, and said that he hoped Berea College would never lose sight of the "individual."

American Bankers Hear Address

(By Associated Press)
Los Angeles, Oct. 6.—The methods by which the United States can develop foreign trade and at the same time maintain a protective tariff were outlined here today when Henry M. Robinson, formerly commissioner of the U. S. Shipping Board, and now president of the First National Bank of Los Angeles, placed the question of free ports and free zones before the American Bankers' Association in annual convention through his discussion of the trade zone bill which Senator Jones of Washington, now has before Congress.

Mr. Robinson spoke as one interested both in protective tariff and foreign trade. He pointed out "the apparent inconsistency" of attempting to develop both at the same time, declaring it was only through the establishment of a free port and a free zone policy that the foreign trader and the protectionist could meet on common ground and the ends to which both were working could be accomplished.

He said that the Jones bill, as now amended, provided necessary machinery for the creation of foreign trade zones in or adjacent to American ports of entry, and authorized the secretary of commerce to grant to states, municipalities and their legal subdivisions the privilege of establishing such zones. He summarized the provisions of the bill, and declared that, whereas, under its present terms, both foreign and domestic merchandise might be brought into a free zone and broken up, assembled, mixed with foreign or domestic merchandise or otherwise manipulated for re-export, direct manufacturing, as such, could not be carried on within the proposed districts—in

Confederate Soldier 102 Years Old

(By Associated Press)

Petersburg, Va., Oct. 6--Joseph Samuel Langford, one of the oldest living Confederate soldiers, celebrated his 102nd birthday anniversary the other day with a walk about a mile and a half en route to this city to be entertained by members of the Daughters of the Confederacy. He took his "next" at a barber shop before the entertainment "to get fixed up for the girls," as he said.

Mr. Langford, who lives with his daughter in Chesterfield county, has 15 grandchildren and 45 great-grandchildren. At 41 he joined the Confederate army, served in a number of battles including the battle of the Crater and delights in telling his experiences as a Confederate spy. He is active and goes about unaided.

Still Selling Our Ships

(By Associated Press)

Philadelphia, Oct. 6--Three obsolete battleships, a cruiser and two monitors will be sold as junk at the Philadelphia Navy Yard.

The vessels are the battleships Maine, Wisconsin and Missouri; the cruiser Columbia and the monitors Ozark and Tonah. They represent an aggregate tonnage of 53,000. All stores and machinery worth salvaging will be removed before the sale.

The battleships and monitors carried main batteries of twelve inch guns now declared obsolete as effective fighting units, though they all served on active duty in the war as station or training ships. The cruiser Columbia, one of the fastest warships in the Spanish-American war, was used on patrol and convoy duty.

The Maine and Missouri were commissioned in 1901. The Maine replaced the old Maine blown up in Havana Harbor in 1898.

The Wisconsin went into commission in 1907 with the North Pacific squadron. She was turned over by the Union Iron Works on the Pacific coast. The monitors Tonah and Ozark went into commission in 1900.

Coburn Parade Today

The "Coburn Grays" street parade and concert band under the direction of Mr. Bert Proctor, cornet soloist, will precede the performance of Coburn Minstrels at the Opera House tonight. This is said to be the best company Manager Coburn has ever had with a complete new equipment in costuming, scenery and personnel. Charley Gano, stage manager and producer, with a corps of new faces in the funny folks line up is said to have written a new "Hindoo" closing number which surpasses his efforts in novelty and ability as a laugh getter. Every comedian is an All dancer, and a big dancing old time Southern act in the Ohio introduces Happy Jim Bonham and Hank White as the Old Man and Old Mammy Darksies in a double song and dance which stops the show. Coburn's Minstrels require little advertising to insure the interests of its patrons, and its past reputation for an excellent singing show and clean comedy is established. Seats on sale at Opera House box office.

Attempted Elopement Nipped by Police

London, Ky., Oct. 6--With the arrest at the railroad station here last night of Mrs. Sallie Johnson and Charles Vandeveter, a very unusual romance was ended. Mrs. Johnson, with her three children, ranging in age from few months to 5 years, and Vandeveter, an undersized youth of about 18, all living near Fariston, this county, were awaiting a southbound train when Chief of Police James Gray received word that they were eloping and arrested them. At the trial in the county court both pleaded guilty. The woman was sent home with her children and the boy was fined. Mrs. Johnson's husband had been at work in the mines in Harlan county for several weeks and it was during his absence that the strange love affair had its beginning and sudden ending.

Stories of Great Scouts

By Elmo Scott Watson

DAVY CROCKETT, THE HERO OF THE ALAMO

"Be sure you're right, then go ahead," was Davy Crockett's motto. He fought for the right, then went ahead to a glorious death in the Alamo. Crockett was born in Tennessee in 1786. He came of fighting stock for his father, a tavern keeper, had been a soldier in the Revolution. Young Crockett's early years were spent in roaming the Tennessee woods, hunting. He became a renowned bear hunter, a fame which he shared with his favorite rifle, "Old Betsy."

When the Creek Indians went on the war path in 1813 Crockett tossed "Old Betsy" on his shoulder and marched away to fight the Indians. He served as a scout under Gen. Andrew Jackson and was in the great Battle of Tohopeka when "Old Hickory" defeated Weatherford's warriors.

After the Creek war was over Davy returned to Tennessee and entered politics. From magistrate he rose to state legislator and next the renowned bear hunter and scout was sent to congress where he served two terms in February, 1836, Davy with 12 of his Tennessee friends arrived at the Mission del Alamo where Col. William Travis with a little army of less than 200 men was defying the Mexican dictator, Santa Anna.

Santa Anna had a force of 5,000 men, and although the Texans had a chance to escape before this overwhelming army cut off their retreat they refused to do so. The Mexican general surrounded the little adobe fort. His demand for its surrender was met with scorn. Then he raised the red flag which meant, "No quarter," and attacked.

The long rifles of the Texans mowed down the Mexican soldiers driven to the attack. On March 6 Santa Anna prepared for a grand assault. Twenty five hundred picked men were detailed to be hurled against the fort. The first assault was beaten back with heavy loss. A second failed, but the third desperate attempt the Mexicans broke into the fort.

After that the fighting was hand to hand. Travis went down and Crockett took command. Outnumbered a hundred to one, Crockett with a few comrades stood with their backs to the wall of the church. One by one the men went down. At last only Davy was left. "Old Betsy" fired her last shot. Then Crockett seized her by the barrel and swung her about his head. There was a short struggle. "Old Betsy" was knocked from his hand. Bayonet thrust and sword cut were rained upon him. A mass of Mexicans struck him. He went down fighting to the last. The Alamo was history.

PUBLIC GYM IS READY TO OPEN

Lonnie Abrams, who will operate a public gymnasium over his pool room on First street, announces that a full set of modern equipment has been installed and as enough members have already joined to make the club a success, it will be in full swing within the next day or so.

The paraphernalia which is already on hand, includes the following: Parallel bars, horizontal bars, punching bag rack, aerial sag, horizontal bag, dumb bells, foot bag, boxing gloves, shower baths and other outfits requisite to a modern gymnasium. About 75 young men have already signified their intentions of joining the club. An entrance fee of \$5 is to be charged each new member, and \$3 per month dues to help defray operating expenses. The club will not be run for profit.

DEMOCRATIC MAJORITY GROWS IN RECOUNT

Carry City Over Republicans By
181 In Registration, and 130
Over All, Figures Show

A careful analysis of the registration of voters Tuesday, page by page of the registration books shows that the democratic majority over the republicans in the city of Richmond was 181 instead of 165 as stated in yesterday's paper, after the hurried count Tuesday night. Adding in the Independent registration which was 50, and the Socialist vote of 1, the democratic plurality over all is 130.

In 1920, the democratic majority over the republicans was 111, thus showing a gain in the majority this year of 70 votes. There were 61 voters registered as Independent last year, which added to the republican vote last year gave the democrats a plurality combined vote of only 18, as compared with the democratic plurality of 130 over all this year. This showing is highly pleasing to the democratic leaders. Such a gain was hardly expected by them and they are now confident, that with hard work they will be able to overcome the republican majority all over the county. They say that this registration in the city of Richmond indicates that the voters generally are much pleased with the splendid ticket that the democratic party is offering to the people of Madison county, and are going to support it, without regard to party lines on the part of many when election day rolls around on November 8th.

The tabulation of the exact registration as shown by the books shows that there are 1,584 white voters who are democrats in Richmond, and only 440 white voters who are republicans, thus giving the democrats a majority of 1,144 of the white voters of the city, or almost four times as many white democrats as white republicans.

The colored vote registered 23 democrats and 986 republicans, as shown by the registration books. The complete vote as shown by precincts is as follows:

EASTERN DEFEATS PAINT LICK 7 TO 0

The Eastern Normal eleven defeated the Paint Lick team on the Normal field by a score of 7 to 0 Wednesday in their first game of the season. The Normal squad now numbers about 30 men who are out there trying their level best to make the Normal team, which is going to be one of the strongest that has been produced at Eastern for a long time. The game Wednesday was a good starter and showed up the weak spots in the Normal team which should be filled with good men as there is plenty of material. The huskies from the Normal

have elected Joe Berman as their captain and he is also the quarterback which is a very suitable position for the leader of the eleven. Berman scored touchdown against the Paint Lick lads and was a thorn in their side all the game. The touchdown came after he had run 3 yards and was the only one made against Paint Lick.

The Normal team plays Kentucky Wesleyan of Winchester on the Normal gridiron Saturday. A very good game is expected. Eastern defeated Wesleyan in a football game in 1919, the last engagement between the two schools and the Winchester bunch is after revenge.

Double Header for Friday

The pigskin fans of Richmond have a treat in store for them Friday when Model Hi meets Winchester City Hi and Madison Hi meets Mt. Sterling in the first double header of the season. The local lads of both teams have been putting through the last few days of practice with a winning spirit and a good account to tomorrow is expected from the two teams. Madison lost to Midway last Friday and Model dropped one to Lancaster, Madison is going after Mt. Sterling with more confidence than they displayed in the encounter last week. This is their first football team and Coach Lassiter is full of expectation for tomorrow.

The Model team plays Winchester with a 500 percentage of victories, having won and lost one. Winchester held Louisville Manual to 21 to 14 score last Friday and are rated as one of the best high school eleven in the state. The locals defeated them twice last year and Winchester wants to even the score with Hembree's men. The games will start early.

Making Extraordinary Mileage a Certainty—

Car Owners want more rubber on the tread where the wear is
hardest; more gum between cord plies to perfect a resilient and
powerful carcass. And they want a scientifically constructed Non
Skid tread with all angles and contacts to resist skidding and give
sure traction. Firestone Cord Tires have met these demands of
the car owners.

Read Letters Below—

Records from 29,000 to 57,000 Miles

Cord Tires built the Firestone way could not fail to produce
mileage. Every day, from all over the country, comes the word that
10,000, 20,000 or 30,000 miles are frequent and consistent records.

Now and then they are emphasized by unusual instances such
as quoted below. Performances like these demonstrate the ultimate
possibilities of Firestone Cords under careful driving.

Sept. 10, 1921
Firestone Tire & Rubber Co., Jacksonville Branch, Jacksonville, Florida.

Gentlemen:—
I submit herewith the history of a 324 Firestone Cord tire. This tire has run 57,000 miles. The average mileage to each retreading was about 7,000. I think you will agree this is a remarkable record. It is especially unusual as I know the owner to be a severe driver. However, he gives his tires proper inflation. The tire in question is not yet out of service and has every indication of being sufficiently strong for another retread. I am mailing photographs under separate cover.

The Harvey E. Mack Co., Thirteenth & Harmon Place, Minneapolis.

Gentlemen:—
It occurs to me that you might be interested in the mileage that I obtained from the set of Firestone Cord tires on my Dodge coupe. The first tire went over 29,000 miles. The second tire rolled up a mileage of between 34,000 and 35,000. These were both rear tires and had been cut considerably by chains. The two front tires have gone better than 35,000 miles and are still in good condition. I expect to get at least 40,000 miles from each of them. I need scarcely say that the Firestone Cord will be my tire choice for the future.

We are in receipt of the following letter, which is self-explanatory:
Richmond, Ky., Oct. 5th, 1921.

"Richmond Motor Company,
Richmond, Ky.

"Dear Sirs:

"I see the big list of Ford cars you published in the Register saying you sold them in thirty days. No matter what the expert writers in the papers say about times being better, I am one who don't think so and it isn't right to publish things trying to make people believe times are good. Sometimes your automobile fellows forget what a short time 'thirty days' or 'the past few weeks' is when you tell about how many cars you are selling, and you have no right trying to fool the people.
Yours truly,

We have only to repeat below the list heretofore published with the added information as to exact date of delivery and list price of each car delivered. We have no intention of trying to induce the people to spend their money extravagantly, in fact, we are firmly of the opinion that Ford cars, with their low first cost, spell one sure way to cut out extravagance and get our feet back on the ground.
